"Peterson combines musical talents, creativity, leadership [and] a passion for justice." CHASKA HERALD

"Hans sings songs of loss and healing - always tied to the soil and to the lives he has shared, lost, loved and laughed about."  
PETER MAYER, guitarist for Jimmy Buffet, and special guest musician on Hans' *Every Breath I Sing* album

"His ancestors landed in the Sparta/Elroy area of Wisconsin, Scandinavian immigrants. [Olava's Song is a] beautiful piece."
